SECTION-I
BRIEF PARTICULARS OF WORK

DELHI INTEGRATED MULTI - MODAL TRANSIT SYSTEM LIMITED

INVITATION FOR PRE-QUALIFICATION OF CONTRACTORS

1. Delhi Integrated Multi-Modal Transit System Limited (DIMTS), on behalf of Transport Department, Govt. of NCT of Delhi invites applications for pre-qualification of contractors for the work mentioned below:

| Name of work | Estimated cost | Time of completion |
|--|--|--------------------|
| Up-gradation of Maharana Pratap ISBT (additional work) at Kashmere Gate, Delhi. Sub head: a) Waterproofing of Terrace and Expansion Joints. b) Repair and Rehabilitation works of existing structure. | Rs. 550 Lac (Rupees Five hundred fifty lac) | 7 months |

2. Only reputed and competent agencies with adequate technical and financial capabilities and having experience of executing similar works either separately or jointly by forming a Joint Venture may apply for pre-qualification. Similar works mean works mainly containing sub-heads of rehabilitation of distressed RCC components with carbon fibre wrapping, micro concreting, guniting, ferro cementing, water proofing and treatment of expansion joints with latest technologies and civil works.
3. Pre-qualification document can be obtained from the office of DIMTS, 1st Floor, Maharana Pratap I.S.B.T. Building, Kashmere Gate, Delhi – 110006 [Tele: 011-43090100, Fax: 011-23860966] on all working days except (Saturday, Sunday & Holidays) from 17.07.2009 to 04.08.2009. between 10.00 Hrs to 16.00 Hrs. on payment of fee of Rs. 1,000/- in the form of a Demand Draft in favour of Delhi Integrated Multi-Modal Transit System Limited, payable at New Delhi.
4. The pre-qualification documents can also be downloaded from DIMTS web site <http://www.dimts.in> and the prequalification application can be submitted to DIMTS along with the document fee of Rs. 1,000/- in the form mentioned above. Prequalification application submitted without document fee will be summarily rejected.
5. Sealed envelopes containing duly filled up pre-qualification documents addressed to Engineer-in-Chief should reach DIMTS office at 1st Floor, Maharana Pratap I.S.B.T. Building, Kashmere Gate, Delhi – 110006 upto 15.00 hrs on 07.08.2009 and should be clearly super scribed "Pre-Qualification of Contractors for Up-gradation of Maharana Pratap ISBT (additional work) at Kashmere Gate, Delhi Sub-head: a) Waterproofing of Terrace and Expansion Joints, b) Repair and Rehabilitation works of existing structure. Late or delayed applications will not be accepted. The applications shall be opened on the same date i.e. on 07.08.2009 at 16:00 hrs.

6. At any time prior to the deadline for submission of application, DIMTS may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective applicant, amend the requirement of pre qualification document by issuing addendum. Such an amendment in the form of an addendum will be posted on DIMTS website. The applicants have to keep a vigil on the DIMTS website for the same & they shall have no claim whatsoever for any ignorance in such case.
7. In case any further information is required, the same can be obtained from the office of Engineer-in-Chief, DIMTS on working days.
8. All matters arising from this application/tender shall have jurisdiction of Courts in Delhi.

Engineer-in-Chief

DELHI INTEGRATED MULTI - MODAL TRANSIT SYSTEM LIMITED

SECTION - I

1.3 General features and major components of the work are as under: -

- a. Removal and striking out of swollen and cracked RCC of distressed component of building.
- b. Clearing of rust and rust proof treatment of reinforcement.
- c. Adding reinforcement wherever necessary.
- d. Microconcreting over epoxy treatment.
- e. Restoration of beams and columns with carbon fibre wrapping.
- f. Dismantling and disposal of existing roof tiles, coba and other waterproofing material from the roof of departure block.
- g. Dismantling of distressed portion of roof slab of departure block, substituting reinforcement wherever necessary and relaying roof slab with RMC.
- h. Micro concreting.
- i. Laying layers of water proofing treatment (Elastomeric coating), cement screed , coba on the roof of departure block.
- j. Laying expansion joints.
- k. Grouting and Guniting
- l. Ferro cementing
- m. Other civil works

All above components of work shall be executed as per design and specifications to be provided by DIMTS.

1.4 Construction contract of the work shall mainly comprise of the following:-

- 1.4.1 The work shall be executed as per general conditions, technical conditions & specifications and special conditions of contract the details of which will be made available in tender document.

- 1.4.2 The qualified applicant will be required to provide bid security in the form and amount indicated in the bidding documents at the time of submission of bids. The successful bidder will be required to provide performance guarantee in the form and amount indicated in the bidding documents.
- 1.4.3 No mobilization advance shall be payable.
- 1.4.4 Contractor shall not sublet any element of work to subcontractors without prior written consent of DIMTS.
- 1.4.5 The financial bids will be invited only from the Pre-qualified applicants in prescribed format for item rate contract.
- 1.4.6 The work shall conform to the specifications, standards and codes of CPWD, Bureau of Indian Standards, Indian Roads Congress, Specifications of Ministry of Road Transport & Highways, relevant Indian Standards or equivalent standards, as applicable, or as approved by DIMTS.
- 1.4.7 The work will be monitored & supervised by DIMTS or Supervision Consultants appointed by DIMTS.
- 1.4.8 No construction material of any kind shall be issued/ provided by DIMTS

SECTION-II
INFORMATION AND INSTRUCTIONS FOR
APPLICANTS

DELHI INTEGRATED MULTI – MODAL TRANSIT SYSTEM LIMITED

SECTION – II

INFORMATION AND INSTRUCTIONS FOR APPLICANTS

1.0 General

- 1.1 DIMTS invites applications for pre-qualification from suitable, eligible and experienced Indian firms with sound technical and financial capabilities for the construction of works as detailed in Section-I.
- 1.2 The intimation to all pre-qualified applicants shall be notified in due course of time and consequently the bidding documents shall be made available from the office of DIMTS on payment of requisite non-refundable fee. Tenders /Bids will only be invited from those applicants who have been pre-qualified by DIMTS through this process.

2.0 Disqualification

Attention is invited to Clause 7 of Section-II of this document, which gives criteria for disqualification of applicants from pre-qualification.

3.0 Method of Applying

- 3.1 The pre-qualification application shall be submitted as per the formats given in Section III. If any required information as per formats given in Section-III is not given by any applicant, the application will not be considered for evaluation & pre-qualification and shall be summarily rejected.
- 3.2 If for any reason, information is furnished on a separate sheet, this fact should be mentioned at the relevant place in the format. Even if no information is to be provided in a column/row in any format, a "nil" or "no such case" entry should be made. If any particular / query is not applicable in case of the applicant, it should be stated as "not applicable". The applicants are cautioned that not giving complete information called for in the application forms or not giving it in clear terms or making any change in the prescribed forms or deliberately suppressing the information may result in the applicant being summarily disqualified.
- 3.3 The application should be type-written. The applicant should sign each page of the application.
- 3.4 Overwriting should be avoided. Correction, if any, should be made by neatly crossing out, initialing, dating and rewriting (use of correction fluid is not allowed). Pages of the Pre-qualification application should be numbered in serial. Additional sheets, if any added by the contractor, should also be numbered by him.
- 3.5 References, information and certificates from the respective clients certifying suitability, technical knowhow or capability of the applicant should be signed by an officer not below the rank of GM/Executive Engineer or equivalent.

- 3.6 The applicant may furnish any additional information which he thinks is necessary to establish his capabilities to successfully complete the envisaged work. He is, however, advised not to furnish superfluous information. No information shall be entertained after submission of Pre-qualification document unless it is called for by DIMTS.
- 3.7 Interested applicants can contact Engineer in Chief, DIMTS Ltd., 1st Floor, Maharana Pratap I.S.B.T. Building, Kashmere Gate, Delhi – 110006 [Tele: 011-23861554, Fax: 011-23860966] for any clarification/ information on the subject.
- 3.8 If the application is made by a proprietary firm, it shall be signed by the proprietor above his full type written name and full name of his firm with its current address.
- 3.9 If the application is made by a firm in partnership/ Joint Venture (JV), it shall be signed by all the partners of the firm/ member of JV above their full type-written names and current addresses, or alternatively by a partner holding power of attorney for the firm (a certified copy of the power of attorney shall accompany the application). A certified copy of the partnership deed and current address of all the partners of the firm shall also accompany the application.
- 3.10 If the application is made by a limited company or a corporation, it shall be signed by a duly authorized person holding power of attorney for signing the application, in which case a certified copy of the power of attorney shall accompany the application. Such limited company or corporation may be required to furnish satisfactory evidence of its existence before the pre-qualification application is filed.
- 3.11 Any information furnished by the applicant found to be incorrect either immediately or at a later date, would render him liable to be debarred from tendering / taking up work in DIMTS and shall in addition be disqualified.
- 3.12 Any applicant against whom any criminal proceedings are pending/ ongoing in any court of law regarding any project executed by him shall not be considered for prequalification. Similarly, any applicant who has been debarred/ blacklisted by any Government or Semi Government organization shall not be considered for prequalification.
- 3.13 DIMTS reserves the right to accept or reject any application and to annul the pre-qualification process and reject all applications at any time, without assigning any reason or incurring any liability to the applicants.
- 3.14 DIMTS is under no obligation to inform the applicants of the reason of selection or rejection. DIMTS decision in this regard shall be final.
- 3.15 Site Visit : The applicants are advised to visit and examine the site of work and the surroundings and obtain for himself, on his own responsibility, all information that may be necessary for preparing pre-qualification application. The cost of visiting the site shall be borne by the applicant.
- 3.16 All costs incurred by the applicant in connection with, or costs arising out of the preparation of his Application, shall be borne by the applicant itself and DIMTS shall, in no case, be responsible or liable for any such costs.
- 3.17 All disputes concerning in any way are subject to jurisdiction of Courts in Delhi.

4.0 Submission of Applications

- 4.1 Complete Pre-qualification application must be delivered in **hard bound** form with all pages signed or initialed, numbered serially and by giving an index of submission in a sealed envelope either by hand or by registered mail, or by Courier to the Engineer in Chief, DIMTS Ltd.,1st Floor, Maharana Pratap I.S.B.T. Building, Kashmere Gate, Delhi -110006 ,[Tele: 011-43090100, Fax: 011-23860966] till 15.00 hrs. on 07.08.2009 and the sealed envelope must be clearly super scribed "Pre-Qualification of Contractors for Up gradation of Maharana Pratap ISBT (additional work) at Kashmere Gate, Delhi Sub-head: a) Waterproofing of Terrace and Expansion Joints, b) Repair and Rehabilitation works of existing structure. Late or delayed Applications will not be accepted. In case of the application being sent through registered mail or courier DIMTS shall neither be liable nor be responsible for any premature spewing /damage/ loss of the application. In the event of scheduled date of submission/opening being declared a holiday for DIMTS, the bids shall be received/ opened on the next working day at respective times.
- 4.2 The name and mailing address of the applicant shall be clearly marked on the envelope.
- 4.3 All information requested for pre-qualification shall be submitted in English language only.
- 4.4 Failure to provide information which is essential for the evaluation of the applicant's qualifications or failure to provide timely clarification or substantiation of the information supplied, may result in disqualification of the applicant.
- 4.5 In case the contractor is already working on DIMTS project (s), he will be required to submit a certificate of satisfactory performance from DIMTS.
- 4.6 Applicants may request for any clarification regarding pre-qualification document. A request for clarification shall be made in writing to DIMTS' address indicated elsewhere. DIMTS will respond to any requests for clarification that it receives only till 5 days prior to the last date of submission of applications. Copies of DIMTS' response including a description of enquiry but without identifying its source, will be displayed on DIMTS' web site, if considered necessary. All applicants must keep a vigil of the DIMTS web site for any clarifications and addendum and there shall be no claim whatsoever for any ignorance in such case.

5.0 Scope of Work

- 5.1 **Civil Works:** It mainly consists of dismantling and reconstruction of existing structure of mezzanine floor in link block, dismantling and relaying of brick coba on departure block, rain down pipes and other miscellaneous civil works.
- 5.2 **Repair and Rehabilitation:** Repair and rehabilitation of existing RCC structure to include replacement of corroded reinforcement, epoxy coating, Guniting, Ferro-cementing, fixing anchor bars micro-concreting, epoxy and cementitious grouting, dismantling and re-casting of certain slabs.
- 5.3 **Waterproofing:** It mainly consists of preparing surface, epoxy coating, fixing anchor bars, micro-concreting, elastomeric coating, screeding, treatment of expansion joints etc.

5.4 **Rehabilitation of Column & Beam with Carbon Fibre Wrapping:** It includes preparation and cleaning of surface of beam and column, removing fins, sharp edges, protusions, Reinstatement of uneven Surfaces with cementitious grout and polymer modified mortar, application of epoxy primer, stretching unidirectional carbon fibre over the surface, tiling/plastering of the surface etc.

6.0 **Pre-qualification Criteria**

6.1 **General Experience**

The applicant shall have the relevant experience either singularly or jointly by forming a Joint Venture of member/partners having relevant experience in different sub heads of work. The sub heads of work are as under:-

- a) Civil works
- b) Repair and rehabilitation of RCC structures.
- c) Rehabilitation of columns and beams with carbon fibre wrapping.
- d) Waterproofing of roof terrace.

Similar work mean works mainly containing sub-heads of rehabilitation of distressed RCC components with carbon wrapping and water proofing & expansion joints with latest technologies as amplified at Para 1.2 and 1.3 of Section-1 above.

For these, the certificate of satisfactory completion from Employer as provided herein shall be submitted along with the application incorporating clearly the name of Contractor, name of the work, Contract value, billing amount, date of commencement of works, scheduled date of completion, actual date of completion, satisfactory performance of the Contractor, Quality of works executed(Very Good/Good/Fair/Poor), Time overrun if any(whether without levy of compensation/penalty, with levy of compensation/penalty or levy of compensation/penalty not decided) and any other relevant information.

6.2 **Construction Experience**

The estimated total cost of the work is Rs. 550 lac. The estimated cost of the sub heads are as under:

| | | |
|-----|---|------------|
| (a) | Civil works | Rs.160 lac |
| (b) | Repair & Rehabilitation | Rs.100 lac |
| (c) | Water Proofing | Rs.110 lac |
| (d) | Rehabilitation with carbon fibre wrapping | Rs.180 lac |
| | Total: | Rs.550 lac |

To be eligible for pre-qualification in case the applicant is a proprietorship/partnership/company/singularly meeting the experience of similar works, it shall be required to have executed similar works containing all sub heads mentioned at para 6.2 above of the cost i.e atleast one work 80% of Rs.550 lacs or two works of atleast 60% each of Rs.550 lac or atleast three works of 40% each of Rs.550 lac.

To be eligible for prequalification, the members of Joint Venture shall provide evidence that they have successfully/satisfactorily completed works as under:-

(a) **Civil work**

One similar work costing atleast 80% of estimated value (Rs 160 lac) or two similar works each of 60% of the estimated value(Rs 160 lac) or three works each of 40% of the estimated value(Rs 160 lac) in the last five years (including current year 2009-10) upto the month previous to the one in which tender has been invited

(b) **Repair & Rehabilitation of RCC Structures**

One similar work costing atleast 80% of estimated value (Rs 100 lac) or two similar works each of 60% of the estimated value(Rs 100 lac) or three works each of 40% of the estimated value(Rs 100 lac) in the last five years (including current year 2009-10) upto the month previous to the one in which tender has been invited

(c) **Waterproofing of Roof Terrace**

One similar work costing atleast 80% of estimated value (Rs 110 lac) or two similar works each of 60% of the estimated value(Rs 110 lac) or three works each of 40% of the estimated value (Rs 110 lac) in the last five years (including current year 2009-10) upto the month previous to the one in which tender has been invited

(d) **Rehabilitation of columns and beams with carbon Fibre wrapping**

One similar work costing atleast 80% of estimated value (Rs 180 lac) or two similar works each of 60% of the estimated value (Rs 180 lac) or three works each of 40% of the estimated value (Rs 180 lac) in the last five years (including current year 2009-10) upto the month previous to the one in which tender has been invited

Average yearly financial turnover of the applicant in the last 5 years should be atleast 50% of the estimated cost of the project on a whole or in case of JV the yearly financial turnover of each member of the JV should be atleast 50% of the estimated cost of the respective sub head of work pertaining to the member of the JV at Para 6.2.

6.3 Bidding Capacity:

The available bidding capacity of the applicant should be equal or more than the estimated cost of the works.

The available bid capacity will be calculated as under:

Assessed Available Bid Capacity= $(A*N^2) - B$, where

A= Maximum updated value of civil works executed in any one year during the last five years(years to be considered shall be 2008-09, 2007-08, 2006-07, 2005-06 & 2004-05) (updated as per enhancement/ multiplying factors given in para 6.6.)which will take into account the completed as well as works in progress.

B= Value at current price level of the existing commitments and ongoing works to be completed during the next 12 months starting July 2009.

N=1.0

6.4 Financial capability

6.4.1 Solvency

The applicant should submit a solvency certificate, certified by his Bankers, of at least 40% of estimated cost of work. Solvency Certificate from the Bankers shall be submitted as per Form:4

6.5 . It may be noted that forming of JV is permitted to involve reputed specialised firm involved in manufacturing of main products required for Carbon Fibre Wrapping and Waterproofing.

6.6 Base Year and Escalation

Following enhancement factors have to be used for updating the cost of works executed to bring to a common base:

| Year | Multiplying factor |
|---------|--------------------|
| 2009-10 | 1 |
| 2008-09 | 1.07 |
| 2007-08 | 1.14 |
| 2006-07 | 1.23 |
| 2005-06 | 1.32 |
| 2004-05 | 1.41 |

Applicant should incorporate the above enhancement factors to the actual amount of the works executed by them clearly indicating the calculations.

In case the financial figure and value of completed works are in foreign currency, the above enhanced factors will not be applied. Instead, actual amount in the foreign currency shall have to be converted into equivalent Indian Rupees (INR) at the State Bank of India BC selling rate as on the date 28 days prior to the last date of submission, clearly indicating the calculations.

6.7 Joint Venture (JV)

- 6.7.1 If the applicant has submitted its Application in the form of a Joint Venture, no change in the members of the Joint Venture shall be permitted at the time of Invitation to Bid and neither shall the leader of the JV be permitted to change
- 6.7.2 If the financial bid submitted subsequently with a change in the composition of members or a change in the leader or a Joint Venture, the same shall be liable to be rejected.
- 6.7.3 A Firm/Agency that is a partner in a Joint Venture cannot simultaneously apply for this work independently or as a partner in another Joint Venture. All Applications submitted by any such applicant Firm/Agency (whether independently or in a Joint Venture) shall be rejected.
- 6.7.4 The Application should clearly state the lead partner in the Joint Venture who will be wholly responsible for the performance of contractual obligations. A detailed Project specific Memorandum of Understanding (MOU) between the partners of Joint Venture stating their relationship along with their respective roles and obligation and division of scope of work should be submitted.

6.7.5 All members of the Joint Venture shall be jointly & severally liable for the execution of the Works.

6.7.6 The value of works mentioned at Para 6.2 are only indicative and may change during the bidding or execution stage. DIMTS will not be responsible on any account whatsoever and the effect it might have on the internal arrangement of the JV. The JV will remain bound to ensure completion of the work and be responsible for all claims and liabilities.

6.7.7 The maximum number of members including the lead partner permitted in the JV is three.

6.8 Equipment capabilities

The applicant is required to own or have assured access through hire or lease to the key items of equipment required during contract implementation for timely implementation of works.

The applicant shall furnish a list of plant and machinery required for the project and owned by him as per Form 16 (Section-III). However, the applicant shall give an undertaking in the prescribed format to provide all the plant and machinery required for timely implementation of project.

6.9 Litigation History

The applicant should provide accurate information about any litigation or arbitration resulting from contracts completed or ongoing under its execution over the last five years. A consistent history of awards against the applicant or any partner will result in failure of the application.

7.0 Disqualification

Even though the applicants meet the above criteria, they are subject to be disqualified if the applicant has:

- made misleading or false representation in the forms, statements and attachments submitted; or
- any criminal proceedings are pending/ ongoing in any court of law regarding any project executed by the applicant.
- has been debarred/blacklisted by DIMTS or any Government or Semi Government organization.
- records of poor performance such as abandoning the work, rescinding of contract for which the reasons are attributable to the non-performance of the applicant, inordinate delays in completion, consistent history of litigation / arbitration or any of its constituents or financial failure due to bankruptcy, etc.
- shown poor performance in any of the works.

- any near relative posted in DIMTS in any capacity (any breach of this condition by the bidder would render him liable to be debarred for taking up works in DIMTS). The near relatives include wife, husband, partners, grand-parents, children, grand children, brothers, sisters, uncles, aunts, cousins, and their corresponding in-laws.

8.0 **Material Changes after Pre-qualification**

Any pre-qualified applicant shall inform DIMTS of any material change in information already submitted that might affect their qualification status. Bidders shall be required to update key pre-qualification information at the time of bidding.

9.0 **DIMTS Rights**

DIMTS reserves the right to take the following actions, and shall not be liable for any such actions:

- (a) amend the scope and value of contract to be bid. and/or
- (b) cancel the pre-qualification process and reject any or all applications without being liable to any applicants.
- (c) For terms & conditions have been incorporated which would ideally be there in the tender documents.

10.0 **List of Forms at Section-III**

| Form No | Description |
